

HIGHLAND PARK AQUATICS CLUB
SHORT COURSE MEET CALENDAR & ISI MEET SIGN-UP
PLEASE FILL ONE SHEET OUT FOR EACH SWIMMER IN YOUR FAMILY!!!

The following is the schedule of meets HPAC will target to attend. As a competitive team, we expect all of our members to attend meets. This does not mean that we expect all swimmers to attend all meets, but we are able to gauge improvement much better when we see the athletes compete.

Home dual meets will need parent volunteers to perform a variety of tasks, from running the timing system to selling concessions to posting results. Your participation is required at our home meets. At away meets, we will be responsible to provide timers and possibly officials.

Most of the meets listed on this sheet require our entries to be submitted with payment 4 weeks prior to the meet date. We would expect the majority of our swimmers to enter these meets. We will submit entries for a session as long as a minimum of 7 swimmers are signed up for that session.

Meet Escrow – if you are attending any ISI meets, there is an entry fee that the host team will collect. You must have enough money in your escrow account for HPAC to enter you in the meet. The entry fees are collected with our entries. No one will be entered in a meet if there are insufficient funds in your escrow account.

SWIMMER'S NAME: _____
(Please fill out one form for each swimmer in your family.)

Start Date	End Date	HOST	Location	Pool	Session/Meet Information	Session you want to enter Put an "X" indicating the session(s) you will be in attendance
